Filo Muro Pure Ash White

Minimalist Design:

Part of the Filo Muro Collection, the Flush with Wall Modern Interior Doors – Pure Ash White features a sleek, modern design that integrates seamlessly into any interior environment. Its innovative frame and customizable leaf are specifically designed to adapt perfectly to all spaces.

100% Made in Italy surface:

Legnori interior doors feature a 100% Made in Italy surface, resistant to scratches, impacts, and moisture. Pure Ash White is prefinished with a refined wooden texture, designed to maintain elegance even in high-traffic areas and damp environments.

Advanced Hardware:

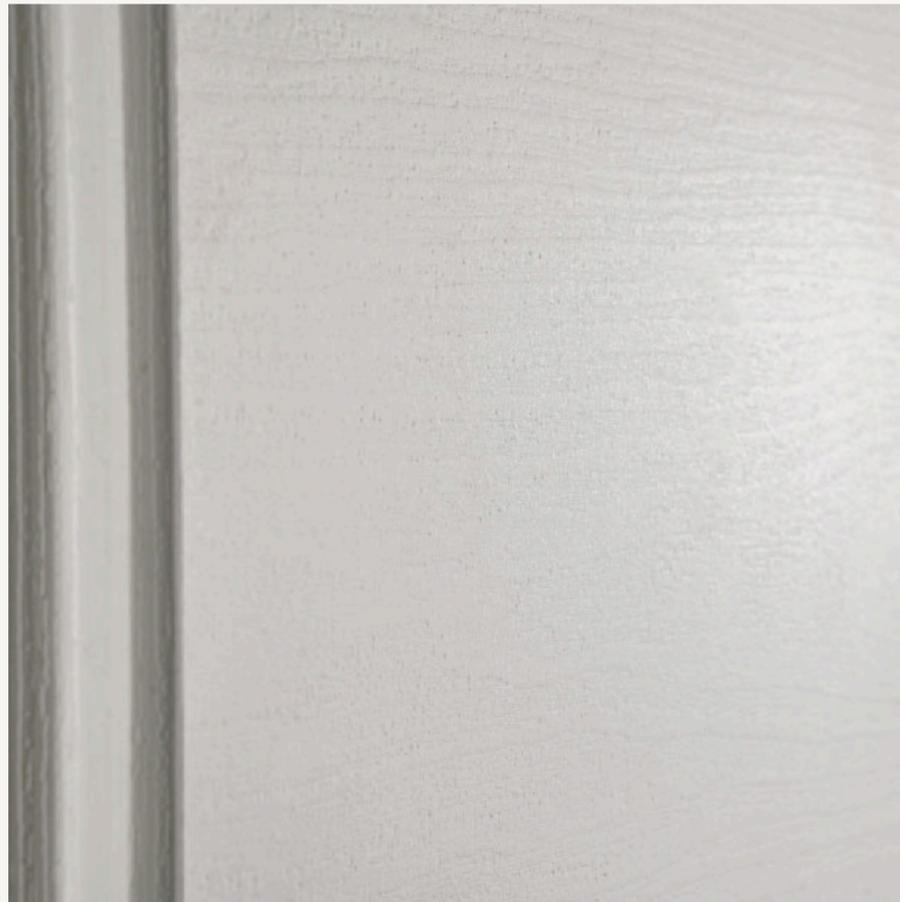

Equipped with the **BAUALU** INFINII X44 Invisible Frame, three concealed hinges, and the **MANIGLI** Silencio Magnetic Mortise Lock, this system offers silent, fluid operation and enhanced safety, featuring a specialized mechanism designed for American construction standards.

Ready-to-Install Convenience:

Delivered as a ready-to-install system, this flush door ensures precise alignment and effortless installation, specifically designed to adapt perfectly to all spaces.

Flush with Wall Modern Interior Door Filo Muro Pure Ash White

Filo Muro Modern Oak

Frameless Modern Design:

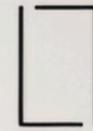

The Legnori Filo Muro Modern Oak interior door embodies precision and refined craftsmanship with a frameless, flush design that blends seamlessly into any modern interior. Its pre-finished vertical white oak surface highlights the elegance of minimalist architecture, offering both warmth and contemporary character to the space.

Precision Construction:

Equipped with the BAUALU INFINII X44 Invisible Frame, three concealed hinges, and the MANIGLI Silencio Magnetic Mortise Lock, this system offers silent, fluid operation and enhanced safety, featuring a specialized mechanism designed for American construction standards. The hardware can be customized, with the invisible frame available in white or black finishes.

Performance & Quality:

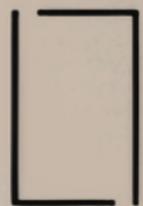

Crafted for durability, silent operation, and precise alignment, the Filo Muro Modern Oak delivers contemporary sophistication for both residential and commercial interiors.

Filo Muro Concreto

Minimalist Design:

The **LEGNORI** Flush with Wall Modern Interior Door Concreto is part of the **Filo Muro** Collection, which allows for full customization and ensures a modern aesthetic in every environment.

Precision Construction:

The **LEGNORI** Modern Concrete Finish Flush-to-Wall Door embodies contemporary sophistication with its seamless, minimalist design. Crafted to integrate perfectly with the wall, it creates a refined, architectural look that enhances any modern interior. The **100% Made in Italy surface** features a durable concrete finish, offering both elegance and strength while maintaining the clean lines and understated luxury that define modern design.

Advanced Hardware:

Featuring the **BAUALU** INFINII X44 Invisible Frame, three concealed hinges, and the **MANIGLI** Silencio Magnetic Mortise Lock, this system ensures smooth, noiseless operation and superior safety, incorporating a specialized mechanism tailored to meet American construction standards.

Filo Muro Individuale

Frameless Modern Design:

The **LEGNORI** Filo Muro Individuale interior door embodies precision with its frameless, flush design that integrates seamlessly into any interior. Smooth, primed, and ready for painting, this door is available in 6'-8", 8'-0", 9'-0", and 10'-0" sizes — all in stock and ready to ship.

Precision Construction:

Flush primed interior doors, drilled for the BAUALU INFINII X44 aluminum system and equipped with the Manigli Silencio Magnetic Mortise Lock. The rebated semi-solid wooden leaf, 1 3/4" thick, ensures effortless installation, strength, durability, and stability for long-term use.

Performance & Quality:

Crafted for durability, silent operation, and precise alignment, the Legnori Filo Muro Individuale interior door offers contemporary sophistication for both residential and commercial spaces. This primed door can be painted to match the wall, highlighting the interior design and creating a seamless, integrated look within any environment.
